INTRODUCTION

With the ever-changing nature of a global business operation that requires firms to adjust rapidly, world-class service organizations rely on the right strategies and practices to enhance their operational capability. The meeting comes at the right time to address these crucial issues. The meeting has been designed to give opportunity among the academicians and practitioners in the area of operations management to present and share new ideas and create excellent networking and smart collaboration.

REFEREED CONFERENCE PROCEEDINGS

Conference Proceeding

All papers will undergo a blind peer review process. Thus, all accepted papers will be published in the Refereed Conference Proceedings with an ISBN and these Conference Proceedings also will be submitted to Thomson Reuters for indexing in Thomson Reuters Conference Proceedings Citation Index (ISI Web of Science).

Journal Publication

Best papers/Selected papers will be published in our Asia Pacific Journal of Operations Management.

Nevertheless, papers that not selected can also be published by paying a submission fee of USD150 (Southeast Asia countries) or USD200 (other countries) and submit the article before the date line. The fee will cover reviewer fee, printing, a complimentary copy for author and courier charges.
